

VISIONXY7 SMART SECRETARY ASSISTANT

Your always-on AI secretary that runs your admin, protects your time, and keeps your business moving.

Built on VisionXY7's research-backed AI automation framework, Smart Secretary Assistant gives you the power of an entire admin team — at a fraction of the cost.

VisionXY7 was founded by Dr. Seify, who has delivered real-world AI automation in NHS-linked healthcare, compliance, and SME operations — turning complex workflows into practical, affordable AI copilots.

We build affordable, practical AI copilots that remove manual admin from everyday business workflows.
